Step 1- Prepare

Choose three complementary Dulux colours for:

- 1) main scallops.
- 2) feature scallops.
- 3) scallop outline.

Print the Dulux scallop template on to either a sheet of A4 paper or stiff card and cut out where marked.

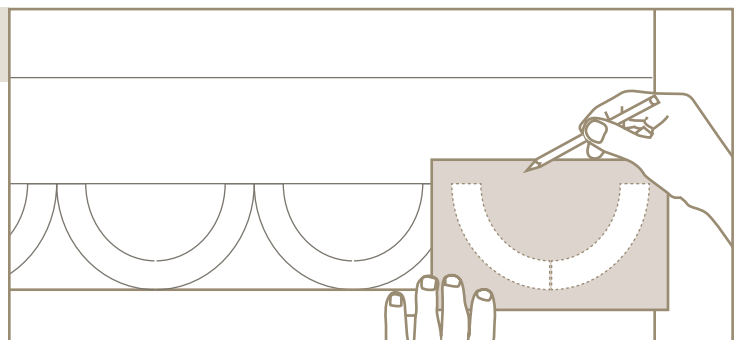

Step 2

Using a spirit level and ruler, lightly draw horizontal lines across your wall at 15cm intervals.

Step 3

Start at the lowest line; use the template to lightly trace the template onto the wall along the lowest line.

Repeat this step along the length of the wall.

Step 4

On the second line, repeat the previous step, but, start the template at the midpoint marked.

Step 5

On the third line, repeat this process, and start again at the edge of the template, as per Step 3.

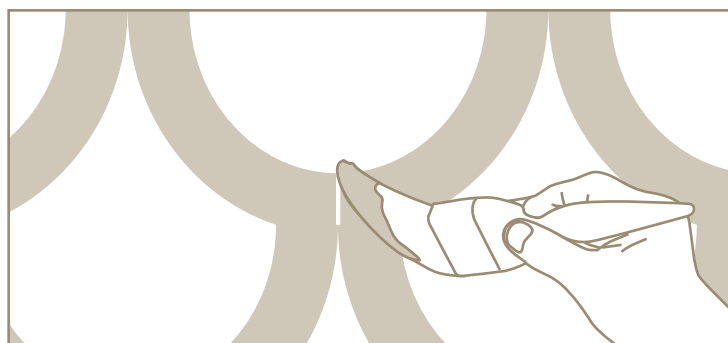

Step 6

Using a small brush, paint all the main scallops and feature scallops.

Step 7

Finally, use a small paint brush to paint the space left between the outlines around your painted scallops.
